New 200-Mile Record.

(By Associated Press.) BUFFALO, N. Y., Oct 1,-The 200 ile road record over the course from Buffalo to Erie, Pa., and return was owered again yesterday. For three owered again yesterday, for three lays T. T. Mack, a local unattached odd rider, had the honor of holding the record of 14h. 24m. 45s.
Yesterday this was cut by W. I. Steimal to 13h. 21m. 30s. The first 10c miles were made in the face of a stiff wind, making the feat nothing short of remarkable.

A furniture-laden truck hearing the name of the Moving Van Company broke down a lands street and Broadway. The truck had been gentle letarrely along the track towards South Perry, when the driver attempted to get out of the why of a cable car. One of the hind wheels of the celule came off, and trace was blocked on Bradway for a full half-hour. The suggestion of a bystandor that the truck be dragged to one side was then acted upon and traffic resumed.

Brady was there to deposit \$1,000 in behalf of Steve O'Donnell, whom he was anxious Fitzsimmons should meet.

Fitzsimmons declined, however, to consider Steve O'Donnell in the matter at all. LEEDS AND GRIFFO MEET.

The Latter Proposes a Six-Round Bout and Refuses a Finish.

A meeting of those interested in bring ing about a fight between Horace Leeds and Albert Griffiths, better known as "Young Griffo," was held at the Coleman House this afternoon, Griffo had challenged Leeds to a finish fight for \$10,900 or a limited bout for \$5,000 depositing \$1,000 with "The World," which denosit Leeds covered last Monday. Griffo, at to-day's meeting, held out for a six-round bout, to which Leeds would not consent. This was apparently settled in favor of the finish or twenty-five round battle, when a quarrel began as to whether it should be for the lightweight champlonship.

Then the question of a finish fight was raised by Behan. Griffo's manager. No decision being reached, the matter was finally declared off for the present.
